

SRU

Integrated College Management System

ADMISSION MODULE

Online Application System

Overview

The College Admission Module helps manage student applications efficiently.

- Web-based admission management system
- Accessible via official college URL
- Two main roles: Admission Controller & Student/Applicant
- Fully digital – From form filling to approval

Key Features

- Create New Application on behalf of student
- Auto-generated Unique admission ID instantly
- Separate Unique Number on Admin Approval
- Supports multiple Degree & Programme selection
- Real-time data validation
- Capture live student image
- Edit/View applications anytime
- Search & filter applications
- Print application

Admission Workflow

Step 1 : Admission Controller logs in

Step 2 : Go to Student Menu → Application

Step 3 : Click “New Application” button

Step 4 : Fill Student details and click submit

Step 5 : System generates Admission number

Step 6 : Application status = “Pending Approval”

Step 7 : Admin reviews → Approves/Rejects

Step 8 : On Approval → System generates final Unique Number

Step 9 : Using the credentials student can login

Go to Student Menu → Application

The screenshot shows the SRI HER application interface. The top navigation bar includes the university logo, the text "SRI RAMACHANDRA INSTITUTE OF HIGHER EDUCATION AND RESEARCH (Deemed to be University)", a search bar, and user icons for notifications, profile, and a crescent moon. The main content area is titled "Welcome to SRIHER". On the left, a sidebar menu is displayed under the "admission" section. The menu items are: Student Admission Registrations, Dashboard, Change Password, Student (with a dropdown arrow), Application (highlighted with a red box and a green arrow pointing to it), Admission, Capture Photo, Room Vacancies, UG List, PG List, Admission List, Update Mobile No, Student Promotion, Upload Student data, and Engg Lateral Entry.
